*If not using Flip n Set, cut two 17" squares. Cut twice on the diagonal like an X to cut eight triangles. Only six will be used.

Embroidery Blocks (Make 3)

- 1) Cut out three embroidery blocks, allowing as much extra fabric around the blocks as possible. (Optional: Fuse the Pellon interfacing to the wrong side of the blocks.)
- 2) Embroider the blocks with two strands of floss, using French Knots, outline stitches and Lazy Daisy stitches.

Assembling the Runner

- 7) Arrange the embroidered blocks, the pieced blocks and setting triangles according to the picture of the quilt. Sew the blocks and triangles together in diagonal rows. Press. Sew the rows together to form the bed runner.
- 8) Sew 2-1/2" wide red grid inner borders to the pointed ends of the runner. Press toward the borders. Trim the long edges of the quilt straight, leaving at least a 1/4" seam from the corners of the blocks.
- 9) Piece the outer borders strips together, pressing the seams open. Measure and trim two borders the length of the runner. Sew to the sides, press and trim. Add the borders on the ends of the runner in the same manner. Press toward the borders.

Finishing the Bed Runner

- 10) Piece a backing at least 4" larger than the quilt top. Trim the batting to the same size as the backing. Layer and baste.
- 11) Quilt as desired. Before sewing on the binding, hand-baste a scant 1/4" from the edge of the quilt to hold the layers together.
- 12) Join the binding ends with diagonal seams pressed open. Fold in half, wrong sides together and press to make a double binding. Sew to the quilt with a 1/4" seam, mitering the corners.
- 13) Trim excess batting and backing, turn the binding to the back side of the quilt and stitch down by hand with matching thread.
