## Cutting

One set of cutting instructions is given, and includes information for all four variations of the quilt. It might be helpful if, before cutting, you go through the instructions and highlight the pieces you'll need to cut for the particular quilt variation that you are making. Fabrics are cut in order given in Materials lists. Cut strips across width of fabric, unless otherwise instructed.

**Tip:** After cutting fabric for A-D shapes, put your cut pieces in labeled envelopes or baggies. (Labeling information could include quilt name, size/shape of piece, and identifying letter.) When you are ready to sew, your pieces will be easy to find and use.

**Note:** When cutting as directed you will have a few extra B and D pieces (this applies to each quilt variation).

*From Blue Poppies (Blue Quilt) –OR– Red Poppies (Red Quilt), cut in order given:*

### Queen Size

- 10 widthwise strips, 2½" x 40", for double-fold binding
- 4 lengthwise strips, 7½" x 94", for outer border (You should have a lengthwise piece leftover, approximately 10" x 94": use this to cut the triangles in the next step.)
- 26 squares, 4⅞" x 4⅞"; cut each square once diagonally to make 52 of triangle C

### Wall Size

- 6 widthwise strips, 2½" x 40", for double-fold binding

## Block Assembly

*All seams  $\frac{1}{4}$ ". Press seams in direction of arrows unless otherwise instructed.*

*The assembly instructions include directions for all four quilt variations. Make sure to follow the specific information given for the variation you are making (the most notable difference will be in the number of each block or unit needed). Refer to photographs for fabric placement.*

1. Using 16 assorted-print  $2\frac{1}{2}$ " B squares, assemble a B-16 unit as shown. Repeat to make a total of 18 units (Queen Quilt) –OR– 5 units (Wall Quilt).

2. Using 4 assorted-print  $2\frac{1}{2}$ " B squares, assemble a B-4 unit as shown. Repeat to make a total of 48 units (Queen Quilt) –OR– 16 units (Wall Quilt).

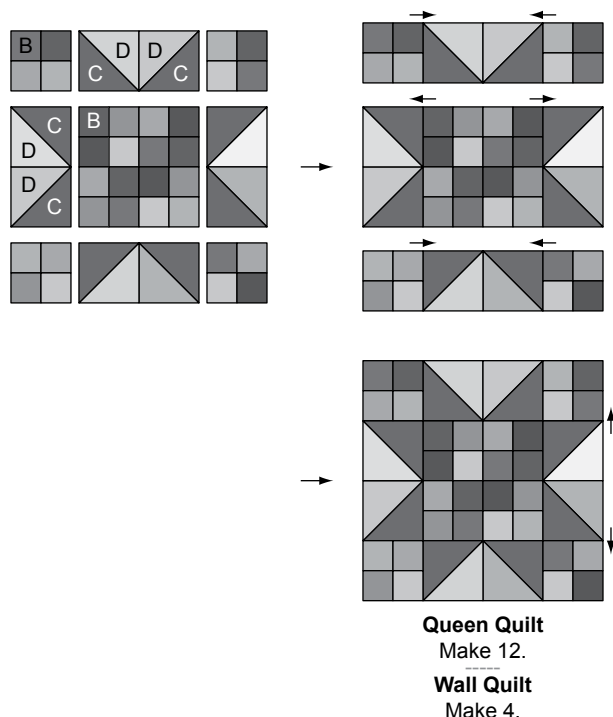

**Note:** At this point it will be helpful to arrange all A squares, B-16 units, B-4 units, and C and D triangles on a design wall. Notice that, when correctly placed, the C triangles will form secondary stars in the quilt design. As you sew Steps 3-5, always return each finished unit or block to the design wall to ensure that the A squares are correctly oriented, and that the C triangles stay correctly positioned for your star blocks and for the secondary star design.

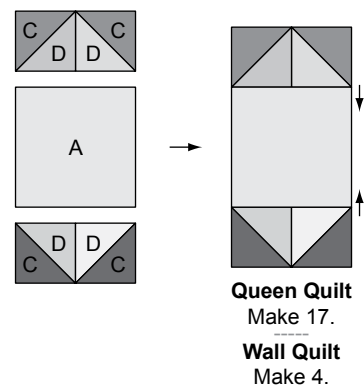

- Using 2 matching assorted-print C triangles, and 2 non-matching assorted-print D triangles, assemble a triangle unit as shown. Repeat to make a total of 82 units (Queen Quilt) –OR– 24 units (Wall Quilt).

- Using 1 B-16 unit, 4 B-4 units, and 4 triangle units (with matching C triangles), assemble a star block as shown. Repeat to make a total of 12 blocks (Queen Quilt) –OR– 4 blocks (Wall Quilt). **Note:** You will have leftover B-16 units (6 for the Queen Quilt –OR– 1 for the Wall Quilt) which will be used in Quilt Top Assembly Step 1.

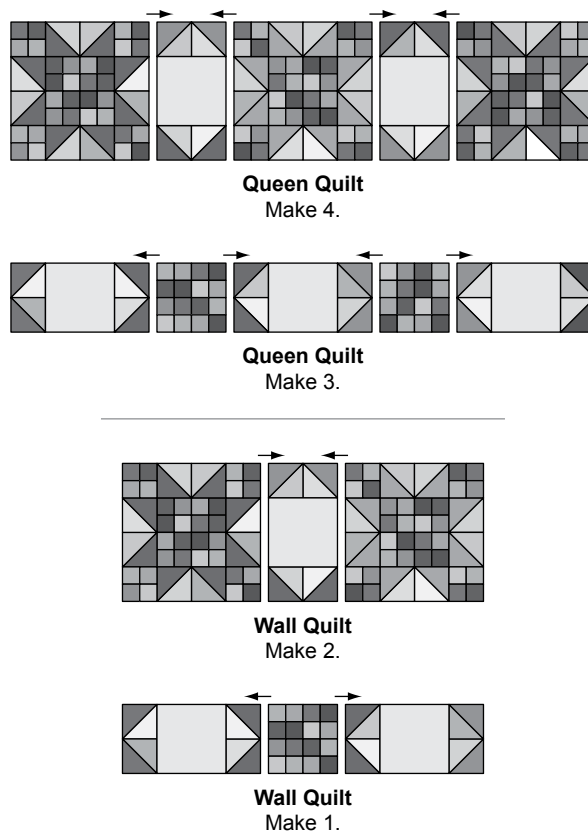

- Using 1 Inspirations 8½" A square, and 2 triangle units, assemble a rectangle unit as shown. (**Note:** Some of these units will have a horizontal orientation in your quilt, and others will have a vertical orientation. When piecing these units, make sure that the Inspirations square will read correctly when the units are assembled in your quilt top.) Repeat to make a total of 17 units (Queen Quilt) –OR– 4 units (Wall Quilt).

## Quilt Top Assembly

**Note:** It might be helpful to arrange all blocks and units on a design wall before sewing.

- Using all blocks and units, assemble rows as shown. Press seams toward rectangle units.

2. Sew rows together as shown in the Quilt Assembly Diagrams at right. Press seams away from star block rows.

## **Borders**

**Note:** *The border instructions can be used for all four quilt variations.*

1. Sew the Sewing Machines 1½" x 40" inner border strips together, end-to-end, to make one long strip. Press seams open.
2. Measure length of quilt top through center. From the long strip, cut 2 inner border strips to this measurement, and sew to sides of quilt as shown in the Quilt Assembly Diagrams. Press seams toward inner borders.
3. Measure width of quilt top, including borders just added, through center. From the long strip, cut 2 inner border strips to this measurement, and sew to top and bottom of quilt. Press seams toward inner borders.
4. Measure length of quilt top through center. Trim 2 of the Poppies outer border strips to this measurement, and sew to sides of quilt. Press seams toward outer borders.
5. Measure width of quilt top, including borders just added, through center. Trim remaining 2 Poppies outer border strips to this measurement, and sew to top and bottom of quilt. Press seams toward outer borders.

## **Finishing**

Layer quilt top, batting, and backing. Quilt as desired. Bind. Don't forget to sign and date your finished quilt.
