Fabric requirements

You Are Magical prints

120-21862	FE
120-21864	FE
120-21866 (BKG)	3 ¼ yards
120-21867	½ yard
120-21868	½ yard
120-21871	½ yard

Painter's Palette solids

029 Lavender	½ yard
040 Bright Aqua	FE
078 Bubblegum	FE

Backing

120-21863	4 yards
-----------	---------

Binding

120-21871	5/8 yard
-----------	----------

Notes

- ¼" seams are used throughout
- Read pattern through before starting
- WOF - width of fabric, a strip of fabric cut from selvedge to selvedge
- BKG - background fabric
- HST – half square triangle
- QST – quarter square triangle

Cutting

1. Cut the following number of pieces from the following fabrics, taking care to orientate the 3 ½" x 6 ½" rectangles landscape not portrait style:

	6 ½" squares	4" squares	3 ½" x 6 ½" rectangles
120-21862	Two		
120-21864	One		
120-21867	Two		Thirteen
120-21868			Thirteen
120-21871			Thirteen
029 Lavender		Eight	Thirteen
040 Bright Aqua		Four	
078 Bubblegum		Eight	

2. Cut the background (BKG) fabric (120-21866) into:

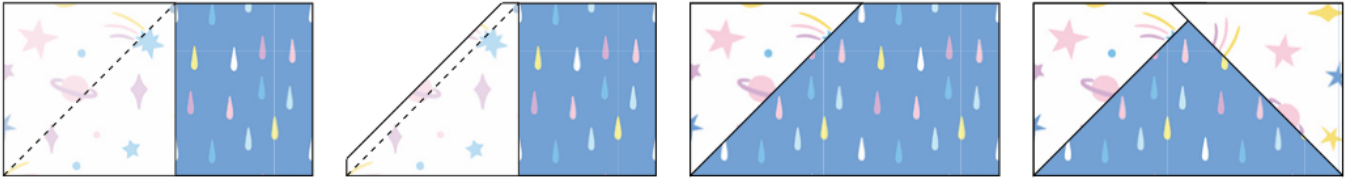

- Nineteen 3 ½" WOF strips. Cut into one hundred and twenty-four 3 ½" squares and twenty-six 12 ½" lengths
 - Two 20" WOF strips. Cut into three 20" squares and cut each of those in half on both diagonals to yield four QSTs per square. From the remainder cut one 10" square and cut that in half on the diagonal to yield two HSTs.
 - Cut the remainder into five 4" WOF strips and cut each of those into three 4" squares.
 - Cut one 4" WOF strip and cut into five 4" squares.
3. Cut the backing fabric into two equal lengths and the binding fabric into seven 2 ½" WOF strips.

Making the blocks

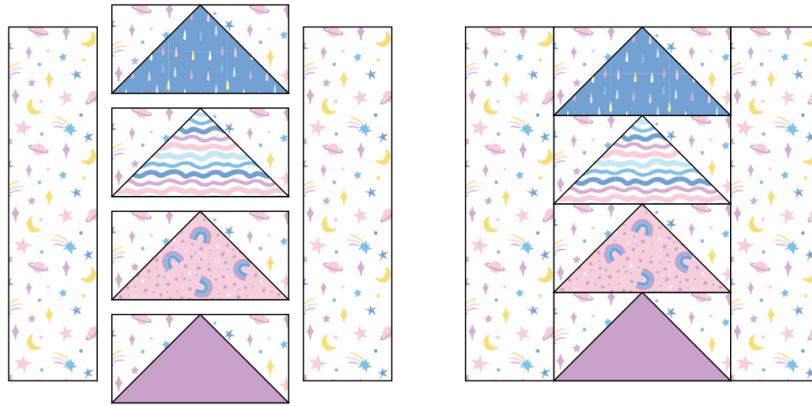

1. You will make forty HST units (eight per star), eight bright aqua, sixteen lavender and sixteen bubblegum.
2. Mark a diagonal line on the back of the BKG 4" squares.
3. For each pair of stars, place one solid 4" square and one BKG 4" square right sides together and sew lines ¼" away from the diagonal marked line on each side. Cut into two pieces along the diagonal marked line. Press, open and trim to 3 ½" square.
4. To make each of the five stars, sew the HSTs into pairs. Sew BKG 3 ½" squares onto each end of two of the pairs. Sew the other two pairs to the two sides of the print 6 ½" square.
5. Sew the three rows together to complete each of the star blocks. Make five, following the layout in the main quilt image.

6. You will make thirteen flying geese blocks, each containing four flying geese units. To make one flying geese unit, draw diagonal lines on the back of the remaining BKG 3 ½" squares (diagrams below).
7. Place one of these right sides together with a print 3 ½" x 6 ½" rectangle, aligning with one end. Sew along the marked diagonal line. Trim away excess fabric ¼" beyond the seam line. Fold over and press that triangle. Repeat with a second triangle on the other side.

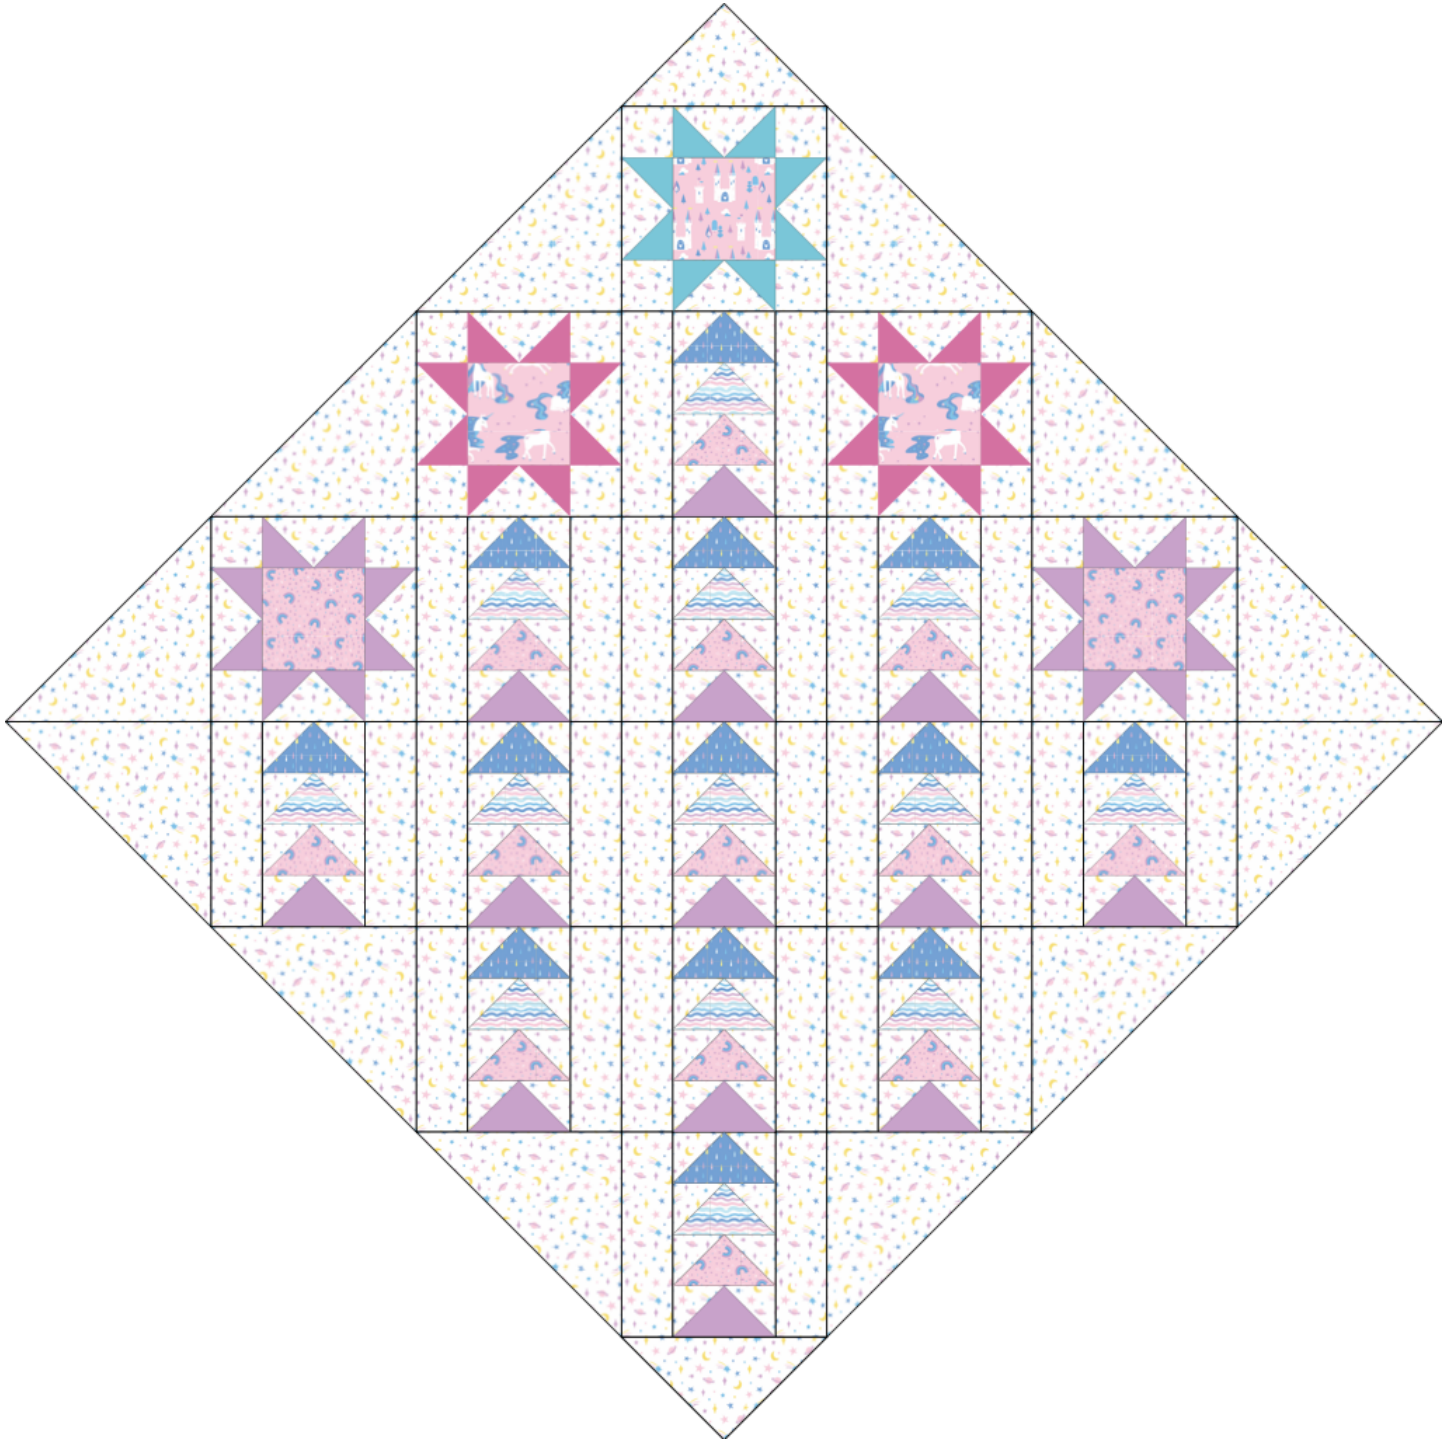

8. Sew the flying geese units into sets of four and sew 3 ½" x 12 ½" strips to either side. Make thirteen.

Finishing the quilt

1. See the assembly diagram overleaf and assemble the quilt top into the following rows:
 - Row 1: one BKG 10" HST
 - Row 2: two 20" QSTs and one star block
 - Row 3: two 20" QSTs, two star blocks and one flying geese block
 - Row 4: two 20" QSTs, two star blocks and three flying geese blocks
 - Row 5: two 20" QSTs and five flying geese blocks
 - Row 6: two 20" QSTs and three flying geese blocks
 - Row 7: two 20" QSTs and one flying geese block
 - Row 8: one BKG 10" HST
2. Sew the eight rows together to finish the quilt top. Trim to 60 ½" square
3. Sew the two backing pieces together and trim to 68" square. Make a sandwich using the backing, a 68" square piece of batting and the quilt top. Quilt as desired then trim square.
4. Sew the binding strips end to end using diagonal or straight seams as preferred. Fold and press in half wrong sides together along the length. Bind the quilt taking care to miter corners.

Assembly Diagram

Kitting the quilt

Prints

120-21862	FE	5/8 yard	1 ¼ yards
120-21864	FE	5/8 yard	1 ¼ yards
120-21866 (BKG)	3 ¼ yards	16 ¼ yards	32 ½ yards
