## Lil' Monster Pencil Case 10½" x 7½"

design by Holly Hickman

### Supplies

**Face:** 1-11" x 4½" rectangle

**Face Bottom:** 1-11" x 11" square

**Lining:** 1-11" x 4½" rectangle, 1-11" x 11" square

**Hair:** 2-11" x 2½" rectangles

**Eyes:** scraps of Black and White

1-14" Zipper (Tip: use a Zipper with large teeth)

Fusible Interfacing

- 1 Face:** Trace the Eyes and Eyeballs on the fusible interfacing. Press on the wrong sides of the fabric and cut out the shapes. Press the shapes to the Face, use a zigzag stitch to stitch in place.

- 2 Hair:** Cut a 2½" x 11" rectangle of fusible interfacing. Fuse to the wrong side of one of the 2½" x 11" Hair rectangles. Fuse the Hair/interfacing rectangle to the wrong side of the remaining Hair rectangle. (You now have a Hair/interfacing/Hair "sandwich"). Cut out the Hair using the template. Topstitch the Hair using a contrasting thread.

### 3 Face Bottom & Lining:

- (A) Open the Zipper.** Center and layer the Zipper, right side up, on the right side of the Lining. Align the Lining with the Zipper edge and baste stitch in place.

- (B) Layer the Face Bottom, right sides together, on the Zipper and Lining. Stitch.** (A Zipper foot makes stitching easier.)

- (C) Open the Face Bottom, wrong sides together, with the Lining. Topstitch.**

#### 4 Face & Lining:

(A) Repeat the same steps using the Face & Lining on the other side of the Zipper. Center and layer the Zipper, right side up, on the right side of the Lining. Align the Lining with the Zipper edge and baste in place.

(B) Layer the Face, right sides together, on the Zipper and Lining. Stitch. (A Zipper foot makes stitching easier.)

(C) Open the Face, wrong sides together, with the Lining. Topstitch.

5 Center the Hair on the top of the Face as shown. Sew the Hair, Face and Lining together. Sew the Face Bottom & Lining together.

6 Flip the Face Bottom up so it is right sides together with the Face, align the edges.
